GENERAL ASSEMBLY
Forty-ninth session
Item 151 of the provisional agenda*
THE SITUATION IN THE OCCUPIED
TERRITORIES OF CROATIA

SECURITY COUNCIL
Forty-ninth year

Letter dated 14 September 1994 from the Permanent Representative of Croatia to the United Nations addressed to the Secretary-General

I would like to draw your attention to the new acts of Serbian aggression against the Republic of Croatia. Last night, at approximately 1940 hours, Serbian paramilitary units from the territory of the Republic of Bosnia and Herzegovina launched an artillery attack against the Croatian city of Zupanja and its surroundings. A total of 28 artillery shells of various calibres were fired, causing considerable material damage upon their impact in the city. The attack ceased only after 2200 hours.

On 12 September, another part of Croatia was attacked. "Yugoslav Army" elements, from their positions at Sitnice in Montenegro in the "Federal Republic of Yugoslavia (Serbia and Montenegro)", opened small-arms and mortar-fire on the village of Dubravka in the region of Dubrovnik in Croatia. The attack began at 2135 hours and lasted until 2357 hours. Fourteen impacts were recorded in that period, mostly of 82 millimetre ordnance.

I would like to draw your attention to the previous letters (S/1994/960; S/1994/969; S/1994/982 and S/1994/987) addressing the same issues, where our Government has emphasized that it considers the present situation a threat to the security and territorial integrity of the Republic of Croatia. The ongoing peace process and stability in the wider region can be seriously jeopardized if this series of events is allowed to continue unabated.

* A/49/150.

I would kindly request for the distribution of this letter as a document of the General Assembly, under item 151 of the provisional agenda, and of the Security Council.

(Signed) Mario NOBILO
Permanent Representative
